

# **G-POOL TOP 10 RESULTS & NON-BOATER MONEY WINNERS**

The weather laid a beating on Club Mega-City but all members came in to battle ready willing and able. The night before the thunder & lighting smashed the night and had many competitors on edge. Being opening day I know all warriors wanted this fight and did not back down.

First Place went to Jarrod "Punisher Man" Dean & Carrie "KILLER" Anne Morrison who teamed up and brought their A game and beat on there competitors with a great weight of 19.31 lbs to take the VICTORY.

Second place went to gunners Frank & Iva Adamo who came in with a good weight of 14.26 lbs. Frank is on a mission and you could see it on his face at the launch.

Third place went to solo artist of the day Paul "PADS" DiPassio who made me proud and excited that his first tourney he got a top three and did it all on his own. Great start to your fishing tourney career Paul. Congrats Pal.

BIG FISH award went out to Scott "SCRAPPY" Pierce & Vince "VINNY MAC" Vommaro with their fish weighing in at 5.32lbs just edging out Frankie A who's fish weighed in at 5.15lbs. I want to thank the directors who helped out and BUSHES MARINE for the use of the facilities.

### Six Mile Lake Top 10 Results & Non Boaters money winners + WEEKEND WARRIOR CHAMPS

Well the night before Six Mile was a repeat of Friday with more thunder, lightning and down pours but once again the war goes on. The morning it looked as though many were still licking their wounds including myself and my wife and partner Sharon could not answer the bell in the morning. She was out from 5:30pm from the night before and a bomb wouldn't get her up. She worked hard the day before catching many fish keeping me on the net. I'm proud of her and all the ladies that joined in on the battle that day. Tana "SCHILLING TIME" Schiller, Theresa "TERRORIZER" Figs, Natalie "DEMOLITION" D'Alessandro and from the day before Iva "THE DIVA" Adamo, Lori "LAZER" Perciballi lol.. Let's not forget the YOUNG GUNS, Luca "LIGHTNING" Figs, Brandon "BRAVEHEART" Porter, and Jordan "JAMMER" Zammit who carried that team . None the less it was game on and WEEKEND WARRIOR was at steak and the anglers that were in hunt new what was on the line.

Frank "Adamonizer" Adamo & Johnny "RIPPER" Ricciardi were up to the challenge and turned up their game a few notches to beat up on the field and win Six Mile Lake with a weight of 16.15lbs. Adamo also took the WEEKEND WARRIOR boaters prize beating out all his competitors in convincing style. Congrats Frank.

Second place went to Michael "MANIAC" MacDougall & Claudio "DINAMITE" Dingillo with a weight of 14.85. Michael rebounded from the day before and came in fighting as his team also took big fish with a 4.60lb Bad Boy once again knocking off Adamo's 4.22lb fish. I don't think Frank is complaining??? lol

Third place John "DAMAGE" Delicata & Natalie "DEMOLITION" D'Alessandro with a weight of 13.56lbs. John is out for VENGEANCE and is showing it in these last two events. Good job Johnny A.

Carrie "KILLER" Anne Morrison claimed the Non Boater WEEKEND WARRIOR prize and has her A game going on. Great job Carrie Anne way to show the boys they have to raise their games to catch you.

Thanks again to Sandy as he weighed in every bag this weekend. The Presidente showed what he was

made of and carried the club the last two days on his back. Let's lighten the load for him members by helping out. I want to thank Scotty "TO HOTTY" Murison who bailed out Roper in his time of need. I appreciate the help bud.

WEEKEND WARRIOR WINNERS

BOATER FRANK ADAMO & NON BOATER CARRIE ANNE MORRISON

I want to give thumbs up to all the boaters who went solo. You guys did well and give yourselves a pat on the back because it's not easy fishing minus a stick in the boat.
